Dear Parents & Student-Athletes:

We are excited to announce that we have recently moved to online registration for participation in interscholastic athletics through FamilyID for your convenience. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our interscholastic athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

Registration moved to this online platform beginning with the 2017-18 winter season and is now the ONLY way to register for participation in interscholastic athletics.

It will be helpful to have the following information handy to allow for accurate completion of your online registration:

- Copy of most recent physical (if applicable)
- Authorization for Administration of Medication form (if applicable)
- Information for two emergency contacts
- Physician contact information
- Dentist contact information
- Medical History
