RE: Senior Award – Jarid M. Valenti Memorial Scholarship

I am requesting a memorial account be established in memory of Jarid M. Valenti. Jarid was a member of the class of 2008.

Jarid's family has requested that a memorial scholarship account be established in his memory.

An award will be established and given this June to a graduating senior who meets the criteria for the award as established by Jarid's family. The criteria is as follow: The student who most exemplifies the qualities of Jarid, outstanding athlete, respectful, compassionate, well-liked and inspiring to both students and teachers alike.

Thank you.
