Re: School Lunch Prices

Based on the USDA requirements for Equity in School Lunch Pricing, I am recommending the District adopt the following meal price increase for 2017-18; Elementary, High School and Middle School breakfast prices are recommended to be raised by \$.05 and the lunch prices are recommended to be raised \$.10 at all levels.

I am therefore recommending the following meal prices for 2017-18:

Elementary breakfast \$1.45
Elementary lunch \$2.60
Middle School & High School breakfast \$1.70
Middle School & High School lunch \$2.85

Please place this recommendation on the June 12, 2017 Board of Education agenda. Please do not hesitate to contact me if you have any questions regarding this recommendation.
