**INTEROFFICE MEMORANDUM**

---

---

**TO:** DR. JAMES FRANCHINI, SUPERINTENDENT  
**FROM:** MICHAEL OUMET  
**SUBJECT:** DISPOSAL OF OBSOLETE EQUIPMENT  
**DATE:** NOVEMBER 27, 2018  
**CC:** BOARD OF EDUCATION

---

Mr. Heffner has informed me that the analog radios listed below should be declared surplus and be removed from service. These radios have been replaced by the new District-wide digital radio communication system. This surplus equipment has very little value (see below lot of 4 selling at \$176) in any secondary market and can only be used as an intra-building communication system.

The St. Jude's and Sacred Heart schools have agreed to accept this equipment which benefits the District by eliminating our cost of disposal. I am requesting that the Board of Education declare this equipment surplus and authorize donation of this equipment as is, with no warranties to these entities.

Sacred Heart School: 31 Radios - Model # CP200

St. Jude's School: 7 Radios - Model #CP200

Please place this recommendation on the December 10, 2018 Board meeting agenda. Please do not hesitate to contact my office if you have any questions.

# 4-USED-Motorola CP200 Radios
