Addendum to Contract for Services

The following addendum is between Averill Park Central School District and Amy Piecc, Orientation & Mobility Provider, for the provision of an additional 4 hours of Orientation and Mobility service for a student "FM" at Averill Park High School during the remainder of the 2019-2020 school year. (February 1, 2020- June 26, 2020). The rate will be \$75/hour, or any part thereof.

This time is due to the lack of service available in the months of October and November 2019. This will allow us to provide the O&M service per the students IEP requiring 2 hours per month.

Amy will report to the Director of Special Education and submit claim form for services rendered with dates and times of sessions. Claims will be submitted monthly, but no later than June 30, 2020. IEP progress reports and annual review summary are expected to be completed when requested.
