

Grade 3 Summer Math Calendar

Hello Incoming Grade 3 Mathematicians and Parents,

We are looking forward to seeing you in the fall! We want you to be ready for Grade 3 by doing a bit of math practice over the summer. Please complete and hand-in these problems by Friday, September 15, 2017.

You can be flexible and do one problem on the date listed or do several problems in one sitting. Please use the included "Work Space" boxes to complete a problem.

Please show all work.

Below is a list of helpful math websites and specific links* that you can explore if you are interested:

<https://www.ixl.com/math/>

<https://www.zearn.org/>

<https://learnzillion.com/>

A PDF version of this document is available through your child's elementary school website; "Student/Parent Resources".

Miller Hill: <http://www.averillpark.k12.ny.us/mhs/>

Poestenkill: <http://www.averillpark.k12.ny.us/pes>

West Sand Lake: <http://www.averillpark.k12.ny.us/wsl>

*At the time this packet was created, the above links and websites were checked by teachers and are appropriate for elementary students. Parents should always monitor their child's use of any internet site.
