**TRANSPORTATION INFORMATION**

Date: \_\_\_\_\_

Please fill out this form to request childcare transportation to a location that is not the same as your home address on file. Requests for transportation to childcare that is not to your home but is in your elementary school attendance area should be submitted in writing to the Transportation Department by August 15. Any requests made after August 15 will take a minimum of two weeks to review and may not be in place prior to the start of the school year.

Due to a number of factors, the district cannot honor requests for transportation to childcare outside of your elementary school attendance area. It is the responsibility of the parent/guardian to find childcare in the same elementary school attendance area as their own home.

Greenbush Child Caring offers the option of before school and after school childcare in each elementary area for a fee. If you plan to use their childcare program, you must register directly with Greenbush Child Caring at 518-477-4125.
