Dear APHS Students, Parents and Guardians,

Welcome back from a glorious Memorial Day weekend! We hope that you were able to enjoy the great weather. We have about three weeks left, so please stay connected with your teachers and on top of your assignments. You are on the home stretch! Sincerely yours,

Mr. Quiles, Mrs. Mein and Mrs. Leach

### **Attention Parents & Guardians of the Class of 2020**

As a fun way to round out the year for our senior class, we are asking all parents & guardians to please make a single Google Slide or PowerPoint slide for your graduating senior. You can include picture(s), quotes, highlights of accomplishments, etc. on the slide. As we receive the slides, we will take them and have our communications specialist post a group of slides each day on our Social Media sites to celebrate the Class of 2020. So be sure to check our social media sites daily.

For students with a last name that begins with the letters A-M, please send your slides to [leachr@apcsd.org](mailto:leachr@apcsd.org) and for those with last names beginning with N-Z, please send your completed slide to [meinc@apcsd.org](mailto:meinc@apcsd.org)

### **A Message from the District Office**

We would like to inform you that the last day of the 2019-2020 school year for Averill Park Central School District K-12 students, faculty, staff and 10-month employees is Friday, June 19. It was originally scheduled for Friday, June 26. This new date marks our 180th day of school, which meets the requirement for state aid from the State Education Department.

Just a reminder that there are no classes on Friday, May 22nd as teachers will be preparing their classrooms for summer cleaning. Also, there will be no classes on Monday, May, 25th in observance of Memorial Day.

### **Attention Students-Yearbooks are still available**

We have a limited number of yearbooks still available. Many spring events have been canceled but the yearbook is still being printed and will include a ton of great memories to capture and preserve this unique year. Since the school schedule continues to change we ask that you please order your yearbook online at [www.jostensyearbooks.com](http://www.jostensyearbooks.com) If you would like a yearbook, please don't delay.

Here is the link for your school's yearbook: <http://jostensyearbooks.com/?REF=A05290700>

### **Students Stay Connected**

- **Students, please check your APCSD email daily.** Your teachers, counselors and administrators are using this as the primary means for communicating with you! Teachers have all established daily "office hours" that they are available to you. These hours are located within their folders on the Online Resources page: <https://sites.google.com/apcsd.org/onlinelearning/home>. Take advantage of this time with your teachers to stay connected.
- Speaking of staying connected, **students**, to stay connected with us, the APHS Leadership Team, by joining our Google Classroom "**Averill Park High School Administration Connections**". All you need to join is the following code: whh5oj2 Many of you have already joined, our goal is to have ALL of you join to stay connected with us. ***We have received some questions from parents about being able to join as well. Please note due to privacy regulations, this Google Classroom is only open to students. Parents, we encourage you to review the Google Classroom with your student(s) to see what Mr. Quiles, Mrs. Mein and Mrs. Leach have posted.***
- One way to not feel overwhelmed and to keep on a routine is to **follow your regular schedule**. To help you with this, here's the A/B day line up for this week: Monday, 5/11=B-day; Tuesday, 5/12=A-day; Wednesday 5/13=B-day; Thursday, 5/14=A-day (4th Qtr. Interims Due); Friday, 5/15=B-day. [Here](#) is a weekly planning form you can use to help keep you organized and on top of assignments.

Parents & guardians, please help support your child(ren) with their virtual learning by monitoring their online learning & assignments. All teachers have set 'office hours' that they are available for students. The Student Support Team (SST) is working collaboratively to monitor student connectivity and continue to be in touch with folks that the SST team determines to be needed.

**Please don't hesitate to reach out to us if there is anything you need. This can be done via email, or by calling the high school at 674-7002. This line will be monitored daily, and you will receive a call back within one business day.**

Stay safe and be well!
