ROBERT A. MESSIA  
PRINCIPAL

JOSHUA W. GELA  
ASSISTANT PRINCIPAL

Parents/Guardians:

At Algonquin Middle School each student will receive a Chromebook computer as part of our instructional program. This resource will support student learning during their school day and can be brought home for the completion of school assignments.

Chromebooks are a powerful resource for students and will be used each day here at AMS. We ask that students follow several key directions to ensure responsible use. These expectations are outlined in our AMS Chromebook Frequently Asked Questions document and our AMS Chromebook Handbook.

Please review these documents with your child and discuss the various aspects of Chromebook care and responsibilities that are listed. Links to these documents are available on the AMS website under "Parent/Student Resources" tab and then clicking on "Chromebooks." You can also access these documents with the QR codes provided below.

Chromebook FAQ

Chromebook Handbook

Finally, in order for your child to receive their Chromebook, they must return the attached Chromebook agreement, signed by both the student and parent.

Thank you for your continued support of our school and this important initiative.

Sincerely,

Robert Messia
