Indoor walking for Community Education participants is scheduled on the second floor hallway at the Averill Park High School or at Algonquin Middle School 6-8 grade loop. **Please sign into the walker's binder each time you walk.** If registering by mail, you must wait to receive your pass in the mail before you begin walking.

Your pass **MUST** be worn every time you walk. Please enter through the main front doors. For security reasons, the front doors may be locked after 7:30 p.m. If so, please enter down by the gym area of the building.

TUESDAY

► **Financial Planning Basics**

Date: Tuesday, September 26
 Time: 6:30-8:00 p.m.
 Location: High School Room 305
 Tuition: FREE (*Registration is required*)
 Instructor: Reese Hughes, Halliday Financial

In this presentation, we'll take a look at some general financial planning concerns. While there's no such thing as a "one-size-fits-all" financial plan, this overview should assist you in thinking about your own needs.

► **Zumba**

Session 1: Starts September 26
 (10 Tuesday evenings)
 Session 2: Starts December 5
 (10 Tuesday evenings)
 Time: 6:30-7:30 p.m.
 Location: West Sand Lake Cafeteria
 Tuition: \$75
 Instructor: Michelle Mickiewicz

All ages and fitness levels are welcome as there is NO DANCE EXPERIENCE required! Choreography is easy-to-follow and the class focuses on all elements of fitness: cardiovascular, muscular conditioning, flexibility and balance. Come ready to have FUN — meeting new people, sweating and smiling...all in a no-judgment zone! Wear loose-fitting comfortable clothing, sneakers (not a lot of tread), water bottle, and a smile.

► **Social Security**

Date: November 14
 Time: 6:30-8:00 p.m.
 Location: High School Room 305
 Tuition: FREE (*Registration is required*)
 Instructor: Renee Hughes, Halliday Financial

As you approach retirement, when to claim your Social Security retirement benefit is one of the biggest financial decisions you'll need to make. Should you begin receiving benefits at your full retirement age or should you take it as soon as possible? In this course, we will summarize the benefits and drawbacks of taking social security at each age as well as the factors to help you make a decision.

 Location: AP High School LG1
 Tuition: \$75
 Save on full session
 (\$17/class drop-in rate)
 Instructor: Christine Orio

In this class we will blend traditional yoga postures with the fluid movement of Qigong and some core strengthening to support a stronger, more flexible spine and promote an inner and outer sense of balance. Breath work and meditation will also be incorporated to quiet the mind and renew both body and spirit. All are welcome, no previous yoga experience necessary. Please bring a yoga mat, yoga block and/or strap (optional) and wear loose comfortable clothing. Feel free to contact the instructor with any questions or concerns at baconlovinoyogi@gmail.com

► **Wilderness Survival 101**

Dates: January 9 & 16 (2 Tuesday evenings)
 Time: 6:30-8:30 p.m.
 Location: High School Library Lab
 Tuition: \$35
 Instructor: Fred McCagg, NYS Licensed Guide,
 Owner of "Dynamic Sport Adventures"

This course is designed to be an introduction to the fundamentals of survival. It is a great way for beginners who are not yet comfortable with the idea of an overnight to begin learning about the backcountry and how to deal with wilderness emergencies. It's also a great way for even experienced outdoors people to learn or refresh important fundamental skills.

The focus of this program is a "modern" one with an emphasis on basic skills, equipment, and preparedness with the expectation of rescue within 72 hours. You will learn about the Seven Priorities

of Survival (survival psychology, wilderness first aid, shelter, fire, signal, water, and food), Rules of three, the 5 W's and more. This course is a great way to learn basic skills, build confidence, and become more comfortable in the outdoors. Class will be classroom multimedia and presentations with some outdoor skill sessions. Participants will receive a small fire starter kit.

This course is geared towards participants of varying skill, experience levels, and backgrounds so no prerequisites are required. We only require that you bring your sense of adventure and plenty of PMA (Positive Mental Attitude).

► **Northeast Combative Class**
For ages 13 and older

Date: Starts November 7 (6 Tuesday evenings)
Time: 6:30-8:30 p.m.
Location: Miller Hill Elementary Gym
Tuition: \$75
Instructor: Fred McCagg, Master instructor
in Combat Hapkido & TaeKwonDo

Introducing the Ultimate Defense Challenge: a 6-Week Self-Defense and Martial Arts Combative Class with cardio workout! Every class will start with stretching and cardio with different modules of multi martial arts techniques and drills. Class attire: loose fitting clothes and sneakers or bare feet.

Are you looking to enhance your personal safety, boost your confidence, and get in shape? Look no further! What sets our program apart is the focus on practicality and effectiveness. We emphasize realistic scenarios and situational awareness...preparing you for unexpected encounters while boosting your mental resilience. Additionally, our instructors prioritize safety, creating a supportive and inclusive environment for all participants, regardless of their fitness level or prior martial arts experience. *Master Fred McCagg holds several non-belted certifications and is an inductee into the World Karate Hall of Fame.*

Interested in teaching a program? Looking for a program that's not listed? Let us know! We are always interested in adding to our Community Education offerings. Email us at communityeducation@apcsd.org and tell us your thoughts.

► **Dog Obedience**

6 Tuesday evenings
Session 1: Starts October 3
Session 2: Starts November 14
Session 3: Starts January 9
Time: 6:00-7:00 p.m
Location: High School Bus Foyer
Tuition: \$150
Instructor: Debra Perks*

In this class the focus is on building a foundation for basic pet obedience. Puppies will learn how to walk nice on the leash and pay attention to his/her owner. Puppies will work on sit, down and recall on command. Handlers will be introduced to a balanced method of training using imprinting, food and toy rewards, and praise as well as fair effective correction. This class is for puppies from 8 weeks to one year old. Bring a six foot leash, a long line (15 to 25 foot), training treats and a toy to class. All breeds are welcome.

► **Dog Obedience**
Intermediate/Advanced

6 Tuesday evenings
Session 1: starts October 3
Session 2: starts November 14
Session 3: starts January 9
Time: 7:00-8:00 p.m
Location: High School Bus Foyer
Tuition: \$150
Instructor: Debra Perks*

The puppy/beginner class is a prerequisite for this class. In this class the focus is on building on the foundation from the beginner class. The class works on off-leash heeling, solid down stays, sit stays and consistent recalls. Bring a 4 to 6 foot leash, a long line, a training collar, a toy and training treats.

**Debra Perks, the instructor for both courses, trains and competes German Shepherd dogs in the sport of IPO (Schutzhund) at local, regional and national level events. She trains with the best dog trainers in the country. Additionally, Deb is an AKC Canine Good Citizen instructor and evaluator and can help you prepare your dog for the CGC certification. Phone (518)755-4147 or email vorteil.kennel@gmail.com if you have questions.*

► **Stocks, Bonds & Mutual Funds**

Date: October 24
Time: 6:30-8:00 p.m.
Location: High School Room 305
Tuition: FREE (*Registration is required*)
Instructor: Nick Stark of Halliday Financial

This flagship course has been heard by thousands of people since the launch in 2005. Each year we make adjustments to give you the most up to date information. Learn the basics of stocks, bonds, and mutual funds, the true backbone of most portfolios. This informational class will help you understand the differences and similarities of various types of investments and explain "financial lingo." It will also show you how proper asset allocation will lower your overall risk, understand the benefits of using mutual funds to build a balanced portfolio to plan for a successful retirement. There will be no attempt to promote any specific investments.

TUESDAY

▶ **Anyone Can Learn To Paint!**

Session 1: starts October 3
(6 Tuesday evenings)

Registration deadline: September 19

Session 2: starts January 9

(6 Tuesday evenings)

Registration deadline: December 1

Time: 6:30-9:00 p.m.

Location: High School Room 204

Tuition: \$75 + \$25 Supply Fee*

New Student Brush Fee*: additional \$25

Instructor: Jodi Beehm

**Supply Fee and New Student Brush Fee will be collected on the first night of class.*

Don't be intimidated! Anyone can learn to paint. You will learn many of the basic strokes of painting and become familiar with decorative painting terms and techniques. Beginners as well as those who have painted before are most welcome. Students will paint at least two projects during this six week course. *The supply fee for all participants is for paint used during class and painting surfaces. Prior students bring usual supplies; new students should bring a water container and paper towels. *New students will also need to make the one time purchase of a brush kit at the cost of \$25.00 from the instructor. (Returning students may also purchase this kit by contacting Jodi.) You may call Jodi at 518-859-4534 or email: jlbeehm12@hotmail.com with any questions on projects or supplies.

▶ **Wilderness Navigation & Backcountry Safety (with Optional Fall Hike)**

Class Dates: October 3 & 10

(2 Tuesday evenings)

Time: 6:30-8:30 p.m.

Location: High School Library Lab

Tuition: \$35

Optional Hike Date: TBD

Hike Tuition: \$5 to be paid to the instructor

Instructor: Fred McCagg, NYS Licensed

Guide, Owner of "Dynamic Sport Adventures"

Hiking is a wonderful hobby and good exercise as well as a great way to get in touch with nature! Let us teach you how to do it right! The art of "staying found" requires little more than a good map and compass, and the know-how to use them properly. Today's topographic maps are the best available, and magnetic compass models are well-designed for the modern navigator. Learning to use a compass and map together are fundamental skills each outdoorsman and woman should have. This contributes to your safety afield, and also to your success. This class offers an introduction to learning these skills, with classroom and in the field hands-on learning. All classroom materials are provided.

*Our optional hike will be at Cherry Plain State Park. The hike is about 2 hours of easy scenic hiking. You will see two waterfalls, one on the trail and the other that you will use your new skills to find!

▶ **Holiday Project with Jodi**

Location: High School Room 204

Tuition: \$25

Supply Fee: \$5 (will be collected at class)

Instructor: Erin Walsh, Certified Master
Food Preserver with Rensselaer County
Cooperative Extension

During this class, participants will learn the basics of preserving vegetables using lacto-fermentation. Fermentation has been used as a method of preservation by people around the world for millennia. Fermentation creates a delicious flavor profile while also enhancing the vegetable's nutritional value. This hands-on class will have participants making sauerkraut and fermented dill pickles using two different fermentation methods. Participants will be able to take home a sample of the ferments made in class.

► Science-Based Fitness

Date: Starts October 4

(4 Wednesday evenings)

Time: 6:30-7:30 p.m.

Location: Miller Hill Elementary Gym

Tuition: \$100

Instructor: Steve Grogan

Most exercise programs have you in the gym for 5-6 days per week for an hour at a time, but what if you DIDN'T need to be there that long? What if there was a way you could get in the best shape of your life in just ONE 30-minute workout per week? If that interests you, then this is the class you need. Over the course of these four weeks, Personal Trainer Steve Grogan will show you HOW to do this program, as well as explaining the WHY. Students should bring the following items to class: two 5-lb. dumbbells, two 10-lb. dumbbells, and an exercise mat. Water and a hand towel are advised, but optional.

WEDNESDAY – THURSDAY

► Medicare 101

Dates: Choose ONE evening, October 12

or November 2 (both Thursdays) or
November 29 (Wednesday)

Webinar Time: 6:00-8:00 p.m.

Tuition: FREE (*Registration is required*)

Instructor: Jim Farnham, MBA, MS,
Licensed Agent

Are you currently enrolled in Medicare? Will you be turning 65 over the next year or two? Learn about eligibility, how and when to enroll, when you can make changes, and the insurance options available to you. Review and compare what services are covered/not covered under Medicare Parts A, B, C and D. Detail the costs associated with medical and drug insurance. Explore and evaluate Original Medicare, Medicare Supplement Insurance, Prescription Drug Plans and Medicare Advantage Plans. This program will simplify the choices you need to make, help you make more well-informed decisions and explain what Medicare means for you!

THURSDAY

► Creative Clay-Hand Building *Intermediate & Advanced*

Date: Starts October 5 (6 Thursday evenings)

Time: 6:00-8:30 p.m.

Location: High School Room 205

tracks and signs (such as footprints, scat, and other indicators of animal presence); about animal behavior and habitats: and how to identify different species based on the tracks they leave behind.

The mindfulness practices will help you become more present and focused in nature. You will learn techniques to quiet your mind and tune in to the sights, sounds, and sensations around you. You'll cultivate a deeper sense of connection to the natural world and promote a sense of inner peace and calm. *Fred McCagg holds a Level III International certification in Wildlife Track & Sign and North American Tracker certification, both with CyberTracker. He is also a NYS DEC Licensed Guide.*

► **NYS Defensive Driving**
Point Insurance Reduction Program

Date: October 14
Time: 9:00 a.m.–3:00 p.m.
Location: High School Library Lab
Tuition: \$50
Instructor: Victor Bujanow & Deborah Harpine

Empire Safety Council of NY, also known as the Point/Insurance Reduction Program, is a 6 hour course. This program has many benefits including safe driving techniques, current updated traffic laws and educational films. The Workshop fee includes all classroom material: student workbook, DMV transmittal to record completion on each student's driving record, and a tamper-proof certificate mailed to each student for their insurance reduction. Students who take and complete ESC's 6-hour DDC are eligible for a 10% discount on all vehicle liability, No-Fault (PIP) and collision insurance premiums for **THREE YEARS!** Upon completion up to a four-point reduction on driving record is given, if applicable.

Recognized and approved by all New York State insurance carriers, this instructor-led workshop is a highly sought-after class by those that prefer a live classroom setting over an on-line course. Our 25th Year! Chief Instructor, Victor Bujanow, is approved by Empire Safety Council to teach this NYS DMV-approved Defensive Driving and Point Insurance Reduction Program.
